## Welcome back

It has been brilliant to welcome all of our children back. They have been fantastic. They have done everything we have asked and more. We can be really proud of them all.

The morning entry went much better on Friday as the children knew exactly where they were going.

Gates are open from 8.35am until 9.00am. Your children will not miss out by coming after 8.35am. I **urge** you not to arrive before 8.35am to start queuing and to consider coming after 8.45am when it is much quieter.

Only one adult should accompany each family of children and secondary children should not enter the site.

- ◇ All children should bring a **clearly labelled** water bottle.
- ◇ Those children bringing packed lunch, should bring a small lunch box.
- ◇ No other bags or belongings should be brought to school yet, we will be sending reading books home soon.
- ◇ **On the day of your child's p.e lesson, children should come to school in their p.e kit to be worn all day (yellow t-shirt, green jogging bottoms, school sweatshirt and trainers or plimsolls )**

### Reception—no pe. kit needed yet

Year 1 p.e Wednesday

Year 2 p.e Friday

Year 3 p.e Thursday

Year 4 p.e Monday

Year 5 p.e Thursday

The end of the day routine has been much more difficult because of all the siblings - we do absolutely need your co-operation for this and your patience.

You must stand back by the picnic benches if you are waiting for siblings being dismissed later.

\*\*\*\*\*Year 1 will now be dismissed from where they were dismissed in Reception—parents please stand at the far end of the orange line. \*\*\*\*\*

**Please note carefully the time of your child's departure. There are two changes for Year 1 and Year 2 children**

**It is vitally important that children and adults do not come into the school if they, or anyone in their family, have coronavirus (COVID-19) symptoms, or have tested positive in the last 7 days, Children and adults must follow 'stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection', which sets out that they must self-isolate for at least 10 days and should arrange to have a test to see if they have coronavirus (COVID-19). Other members of their household (including any siblings) should self-isolate for 14 days from when the symptomatic person first had symptoms.**
