We wish all our families a safe and happy weekend

Has your child mentioned their Jigsaw friend or Jerrie the Cat, who helps them to 'paws' for thought?

Personal, Social and Health Education

The children have been working hard and have begun their Jigsaw journey at school. These characters support the children in their lessons, which include parts called Calm Me, Connect Us and 'Let me Learn'.

Jigsaw PSHE is a whole-school approach to personal, social, health and well-being education and provides a detailed and comprehensive scheme of learning for children

You can read our PSHE Policy on our school website and if you would like to look at some of the Jigsaw resources that we are using with the children we are happy to share them with you. Please email headteacher@bearwood.sandwell.gov.uk and I will forward your request to Mr Murphy, who is leading on this project in school.

Flu immunisations 17th December

Christmas in school

Christmas in school may be different this year, but we will still be having Christmas fun with the children. During the last week of term a number of different Christmas activities will be taking place and on the last day of term—Friday 18th December—children can wear Christmas jumpers to enjoy their class Christmas parties.

We ask that children do not exchange Christmas cards or presents with staff or children this year.
