## NEWSLETTER

This newsletter is available on the school website. Please click on the **Parents' Tab**. We would like this to be the way you access it in future, rather than giving out paper copies.

## Reminder

The online application process for Year 7 for September 2021 is open. If you have a child currently in Year 6, you will need to complete the online application form. Please remember that it is very important that you complete these forms on time. (applications close on 31st October 2020). Late applications are processed after all of the forms that are submitted on time and so can result in you not being allocated a school of your choice.
