Last week we welcomed back Reception, Year 1 and Year 6 pupils whose parents wanted them to return.

In total, 24 Reception pupils are attending, 22 Year 1 pupils and 20 Year 6 pupils.

It is absolutely fantastic to see them all. To see the smiles on their faces when they see their teachers and classmates and to hear the playground echo with the sound of children playing is wonderful.

Children are in very small classes either on a Monday and Tuesday or Thursday and Friday.

On Monday 15th June we will be welcoming back a very small number of our older Nursery children

In the coming weeks we hope to welcome back more children in other year groups, as capacity allows. You will receive a text if your child's year group is returning.

We are pleased to announce that from September we will be accepting payments online for items such as dinner money, school trips and uniform. Using a secure website called ParentPay, you will be able to pay online using your credit or debit card. ParentPay will be our preferred method of making payments to school. To enable us to launch this facility we are asking you to provide us with your email address along with your child's name. This can be done by emailing **[headteacher@bearwood.sandwell.sch.uk](mailto:headteacher@bearwood.sandwell.sch.uk)**

Your email will be used by school as a method of communication and also with ParentPay. If you have recently given your email address to us, you do not need to provide it again.

### Learning at Home

It is fabulous to see so many of you completing your daily learning on Google Classroom.

It is really important that everyone does their online learning whilst they cannot come to school.

An adult from your year group is online every school day, 9 - 3, to help you with your learning and just to have a chat.

If you need any help getting onto Google Classroom, Mrs Klair and Mrs Hadley are in school every day to help you. Just ring.

### Learning in school

#### Rainforest

Some children in school have been very busy making dioramas as part of their topic work on Rainforest based on the book and film, Tarzan.

Children have also been learning how to use glockenspiels and have learnt how to hold a tune. They have really enjoyed learning Row,Row,Row your boat down the Amazon based on Rainforest.

#### Comic Strip

Year 6 children created their own superhero comic strip this week.

Each child had a piece of a puzzle to colour in. They put them all together to guess the superhero.

Can you guess our Superhero?
