Summer Term  
Friday 26th June

We are coming to the end of week four of this half term and it has been so very busy, learning in school and learning at home.

This week we have had 112 children in school from Nursery to Year 6. This has been a challenge in terms of the number of different rotas that we have, including days of the week and start and finish times. I would like to thank every parent/carer for making this work so well. Start and finish times are every five minutes now that we have more children in, so it is vital that you arrive on time.

It has been wonderful to see each and every child and as I said last week, it makes us realise how much we miss those children working at home, though we are delighted that so many of them are working on Google Classroom and messaging their teachers.

We do still have capacity for a few more Reception children. If you would like to send your child back to school, please phone us or email [headteacher@bearwood.sandwell.sch.uk](mailto:headteacher@bearwood.sandwell.sch.uk)

## End of Year Reports and New Classes

Teachers are busy writing end of year reports, which we will distribute before the end of term, along with information about and a photograph of your child's class teacher for next year.

We hope that we will know more details shortly about what September will look like in school. We very much hope that we will be welcoming all our children back, but at the moment we can't give you any more details.

# Well done

Teachers would like to say well done to the following children for their brilliant learning at home or in school

## Reception

Michael for making a great split pin cat independently.

Mareme for some lovely leaf and tree rubbings in the forest.

## Year 2

Marcus for learning about lines of symmetry and making some great symmetrical pictures.

## Year 3

3T Darin Ibrahim for improving his investigating skills at Calthorpe Haven by focusing well. Keep it up!

3S Awa Gueye for listening well and using her understanding to work out answers to questions about spies.

Online:

Amar Noori, Nicola Mikulko and Oluwaseyi Adewoye in 3S for their impressively detailed mehndi art-work uploaded to Google Classroom

**5M** Fatima Faisal - for persevering with her online learning

**5D** Nathan Duarte - for uploading some super pieces of creative/topic work to Google Classroom

**Year 6** Pavandeep Marway for reading on reading plus regularly and always completing google classroom work to a high standard.

**And here's what some children were doing in school this week.**
