5S updated self-isolation date

Dear Parent,

We have now been advised that due to one more case in 5S, we have to extend the self-isolation period up to and including Thursday 1st April.

I know this is really, really disappointing news and we will now not see the children back at school until Monday 19th April, but we have to follow the advice of Public Health England.

Parents, siblings and other members of your household do not have to self-isolate.

If your child develops symptoms of COVID-19, they should remain at home for at least 10 days from the date their symptoms appeared. Anyone with symptoms can get a test and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119 .

Please ensure that you log on to Google Classroom each day for live lessons with Miss Smart. If you need any help or support, please do not hesitate to contact the school.

Whilst I understand the challenges of self-isolation, I must stress that this is the advice of Public Health England and we want to put everyone's health first. If you have any questions, please do not hesitate to contact me.

Yours sincerely

D Haywood
Headteacher
