Performances in School and the Carol Concert at St Mary's Church

We are pleased to be able to invite parents into school for Year 2 and Year 3 performances.

We have also decided that we will invite Year 6 parents only to attend the Carol Concert at St Mary's Church. (As we go every year, Year 5 and Year 4 parents, I hope you will have opportunities to join us at this event next year and the year after)

For all Christmas Performances **one** adult only per child may attend and **must** wear a mask. We would also ask that all adults take a lateral flow test before coming to school. No school aged children may attend with you.

For the Christmas Concert at St Mary's Church, again **one** Year 6 adult per child may attend and **must** wear a mask. We would also ask that all adults take a lateral flow test before coming to the church. No school aged children may attend with you.

Thank you Parents and Carers

I would like to say a very big thank you to all parents for their continued support for all that we do to keep your children safe, happy and most of all learning.

We really appreciate how much you have co operated with us, whether that is sharing information about illness, including Covid 19, carefully following rules and routines that we have put in place and supporting your child's learning at home.

We are not quite sure what the new year will bring, but I know that working together as we have done, makes things all the more easy and we are looking forward to lots of exciting events in the new year.
